Benjamin's Bakery

What we have to offer . . .

Benjamin's Bakery is a privately owned and operated bakery with strong ties and involvement in the community. We offer quality and selection in a wide variety of fresh, baked-from-scratch products . . .

products that your customers will love ... products that will set you apart. We believe that better bread equals a better dining experience!

We bake from scratch daily using fine fresh ingredients and traditional baking methods. Our clientele has diverse needs, and we strive to meet and exceed their expectations. We provide you with better bread along with a professional level of personalized customer care.
